BY THE COMMISSION:

By written request for funding received September 21, 2006, Dodge County Public Safety Answering Point, Fremont seeks funding from the Enhanced Wireless 911 Fund for expenses of implementing and providing enhanced wireless 911 service related to Cingular. Dodge County has one public safety answering point (PSAP), which will provide enhanced wireless 911 service throughout Dodge County. The local exchange carrier serving Dodge County's PSAP is Qwest. Dodge County Public Safety Answering Point, was previously approved for funding by orders entered on April 2, May 7, and August 13, 2002 for the following wireless carriers: Alltel Wireless, Western Wireless, Qwest PCS, Nextel, and Airgate PCS.

Dodge County entered into a service agreement with Qwest for enhanced wireless 911 equipment and services. A copy of the agreement has been provided. In the agreement, Dodge County authorized the Commission to remit all payments for enhanced wireless 911 service to Qwest.

Dodge County now seeks initial costs and recurring costs to implement and provide enhanced wireless 911 service for Cingular as outlined in Appendix A attached hereto. Initial costs are for database upgrades, trunking infrastructure and purchase, installation, and testing of circuits for enhanced wireless 911. Recurring costs are monthly fees for database management and for operation and maintenance of trunks and circuits.

installation, maintenance and operation of telecommunications equipment and telecommunications services required for the provision of enhanced wireless 911 service.

Dodge County has submitted a PSAP registration in compliance with Commission Docket 911-001.
